WALLED LAKE CITY LIBRARY

READ. LEARN. IMAGINE. EXPLORE.

Dear Patrons,

Your involvement in our new programs and services has been the best compliment we could ever receive. I must thank you all for the feedback we have been receiving too. The messages of kindness, appreciation, and encouragement during this time have been the fuel we need to continue our efforts to provide you the best library experience possible.

You can always find our most recent updates on our website. We also push all updates out on Facebook and Instagram; please consider following us @walledlakelibrary and I encourage you to look at our calendar to discover upcoming events for you and your families.

As always, I want to thank you all for your understanding and support as we all work through these ever-changing times. I can speak for the Board of Trustees and all Library staff when I say, we are all looking forward to offering unfettered access to the libraries, and of course, to the end of the pandemic.
