

How to use:

COMICS PLUS[®]

Unlimited access to thousands of age-appropriate digital graphic novels, manga, and picture books.

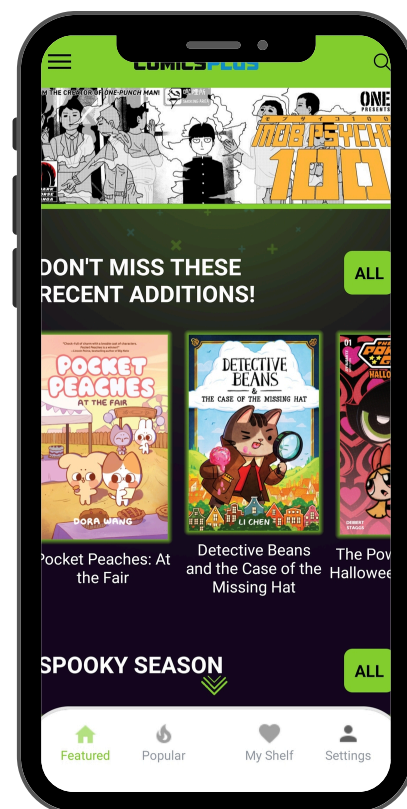

Getting Started

- Download the **Comics Plus app** from your device's app store or use the link from our website.
- **Open** the app and follow the prompts to enter Walled Lake Library, your library card number, and your PIN.
- **Select** the Full Collection.
 - You can also select Children's or Teen collection, as needed.

Browse

- **Select** from titles highlighted on the Featured page, which are arranged into small collections.
- **Search** for a specific title using the search box at the top of the site or by tapping the magnifying glass at the top-right of the app.
- **Browse** by subject or genre areas by clicking on the three horizontal lines in the top-left of the app and selecting **Categories**.
- You can filter any search results by age range, publisher, and language by clicking the Filter button at the top of any search.

Borrow

- **Select** a title from one of the sections or in the results of your search.

Read

- Click **Read Now** button to be taken to the reader.
- Click **Download Now** to download the comic to read later.
- To save titles for future reading, add titles to **My Shelf**.

My Shelf

- Adding titles to **My Shelf** allows you to save them for easier access.
- **My Shelf** also contains several filtering options, including by category, product type (comic, graphic novel, manga), publisher, reading progress, date borrowed or released, downloaded items, and more.
- Selecting the title provides the same options as selecting it from the search as above.
