

How to use:

Start your next conversation in your choice of over 70 different languages!

Getting Started

- Download the **Mango Languages app** from your device's app store.
- *If you already created a Mango profile through the Library's Web version:*
 - Tap **Log In** at the bottom of the screen and enter your login information.
- *If you don't yet have a Mango profile:*
 - Open the app, tap the **Start Learning** button and, after selecting the language you want to study, either go through a lesson or tap **Skip to Sign Up** to immediately create your profile.
 - **Tap** the three horizontal lines in the upper right hand corner.
 - In the menu that slides out from the right, tap **Unlock More Lessons**.
 - On the next screen, tap **Search** in the Find Mango box.
- **Search** for Walled Lake City Library.
- Clicking on your library's name may take you to a screen with a note that reads "NOTE: Your organization requires that you successfully authenticate using their website.". If you see this message, click [HERE](#) to see how to finish linking your Mango profile to your library.
- Enter your library card number and PIN, and then **Done** or **Go** on the keyboard.
- If you entered your library card number correctly it will say **Success!**
- Tap **Continue** to access more lessons.
